## We have to play fair on God's Team

God loves us, and He forgives us the things we get wrong, but we should still do our best to live life Jesus' way.

In today's story, Zaccheus learned to do that. When he heard Jesus calling, he came down from the tree he'd climbed, and decided he'd follow Jesus from then on. He gave back the money he'd cheated from people and extra as well. Although he wasn't so rich after that, he was a lot happier and for the first time in his life he had friends! Playing fair is good for us, as well as other people, and it's an important part of being on God's team.

*Thank goodness Gill remembered the arms for the peg dolls and brought the plasticine today!*

## Something to remember

Today's memory verse is:

*The believers were one in mind and heart. They all shared with one another everything they had*

## Dylan Frelipot

In our last episode Dylan decides to join the 'Heavenly Dancing' ballet class with a cockney teacher who is kind as well as being good at ballet. He struggles doing the arabesque move but with the help of his teacher he masters it in a few weeks and he has a lot of fun with his new friends at 'Heavenly Dancing.'

He finds out that there is to be a competition between 'Heavenly Dancing' and 'Dance Tu-tu Perfection', his old dance class. The competition begins and the two groups are neck and neck when they reach Dylan's last event, the arabesque. However there is too much arguing between the girls in 'Dance Tu-tu Perfection' and their team is disqualified. With support from his team, Dylan does a perfect arabesque and wins the competition. The play ends with the song and dance:

*"Teamwork and spirit and encouragement".*
