

Holiday Headlines

St Nicholas Holiday Club

Issue 11: Tue 28 Aug 2007

Life at the Start

One of our favourite songs is "Who put the colours in the rainbow?" The second verse goes like this:

Today we heard the story of how God made the world. This is a mystery which has puzzled philosophers and scientists for generations. The more we appreciate the beauty of creation, in all its amazing detail, the more we feel there is a design and purpose behind it.

Design a T-shirt

Here's your chance all you "Project Cat-walk" wannabes. Use your design skills to create a stunning holiday club T-shirt and enter our fashion parade at the barbecue on Sunday! Jo has plenty of T-shirts and materials for you to work with in the craft sessions, or you can take them home to add those essential finishing touches. Suitable for all ages!

Something to remember

Each day we have a bible verse to learn. Today's verse reminds us how God made everything we enjoy.

*Lord you have made so many things!
How wisely you have made them all*

Psalm 104 verse 24.

Bring a friend

Do you have a friend who would enjoy our holiday club? Give them a call and ask if they would like to come with you tomorrow – it's not too late!

Family Service and Barbecue: 10am to 1 pm Sunday 2 Sept

On Sunday morning is our Holiday Club Family Service – it will include some of the stories and songs we have enjoyed the best, as well as one of Tony's special stories. We hope that all the children and their families can come. Please join us after the service for some fun and the Famous Five's feast in the Vicarage garden.

Everyone is welcome - come with a good appetite, and if you like, bring a garden chair or a rug to sit on.
