

Holiday Headlines

St Nicholas Holiday Club

This year year Holiday Club theme is **Miracle Makeovers**. We will sing songs, watch drama, learn memory verses and listen to stories about people who have had their life changed by God. We will also be 'Making Over' different parts of the church hall with paper, plants and paint!!

Today we heard the story Naaman

Naaman was a great soldier, but he had a skin disease called leprosy. A young servant girl from Israel served Naaman's wife. She told Naaman about a prophet in Israel called Elisha who could cure his leprosy. So Naaman went to visit Elisha. Elisha told him to wash seven times in the Jordan River. Naaman was angry because he did not expect to be cured this way. He thought Elisha would wave his hand over him and cure him. He also thought that the rivers in his own country would be better than the Jordan River. But he decided to obey. He dipped one, two, three, four, five, six, seven times. When he obeyed what had been told him, his leprosy was healed. He was so happy. He said, now I know that the God of Israel is the only God.

Now, that's a REAL Miracle Makeover!!!

Moses' first and last day as a lifeguard.

Issue 15: Tuesday 26 Aug 2008

Something to remember

Each day we have a Bible verse to learn. Today's verse reminds us that we should search for God like little children.

Jesus said, "Let the children come to me and do not stop them because the Kingdom of God belongs to such as these"

Mark Chapter 10 v 14.

Bring a Friend

Do you have a friend who would enjoy our holiday club? Give them a call and ask if they would like to come with you tomorrow – it's not too late!

Family Service and Barbecue: Sunday 31 August

Our Holiday Club Family Service will be held on Sunday morning. It will include some of the stories and songs we have enjoyed the best. We hope that all the children and their families will be able to come.

Join us after the service for some fun and the Famous Five's feast in the Vicarage garden. Everyone is welcome - come with a good appetite, and if you like, bring a garden chair or a rug to sit on. If you can come, please tell Harvey Burd so he can estimate numbers but you can still come even if you haven't told him!!

If you have any jokes, riddles or funny stories, tell Tim and he might put them in tomorrow's Holiday Headlines!!!
